

Fun time at the Hermitage School fair for Face the Future charity founders Alison and Gary Lane and Jackney Middleton with sister Dionne.

Face the Future fun raises £1,000

FUN in the sun was had by all at a fun day in aid of Woking charity, Face the Future.

The event was held at Hermitage School to help raise money for the charity.

There was a bouncy castle, football competitions, a barbe-

cue, raffle, cake stall, Tae Kwon Do demonstration and much more to keep all the family entertained.

Founder Alison Lane has worked hard to raise the £1,000 needed for the charity to become registered.

Face the Future supports children with physical facial needs and was set up by Alison in memory of her son Jake, who suffered from a rare facial abnormality called Treacher Collins Syndrome.

Jake died in November 2001.
